

David Salmela

David Salmela is an award-winning architect and a second-generation Finnish American. He grew up on a dairy farm in central Minnesota, taught himself design, and has spent fifty years exploring appropriate architectural approaches within the culture and landscape of Minnesota and Great Lakes region. David has won over 70 regional, national, and international design awards. His work is informed by his Finnish roots, the dynamic climate of the region, and the importance of natural light.
