

## Lorraine Lans

Living in rural Maine, Lorraine Lans paints wildlife narratives, plein air landscape in all seasons, and classical portraits. She studied Impressionism at the Cape School of Art in Provincetown, Massachusetts, and Academic Realism in Boston. She has exhibited nationally and won major awards.

Lans inherited her artistic abilities and love of nature from her Finnish-American father, who wanted to be a cartoonist.

More information on artist's website: [www.llans.com/](http://www.llans.com/).
