

## Miikka Skaffari

Miikka Skaffari is a San Francisco-based freelance photographer. He specializes in live and publicity photography for music and loves traveling.

Skaffari feels that taking photos during his travels allows him to slow down and pay attention to details. He finds himself focusing on the environment around him, and he tries to capture the feeling and share it through his photos. He enjoys walking in new places early in the morning and late in the evening to catch the cities transition from day into night.
