

## Muriel Anderson

Photo by Bryan Allen.

One of the world's foremost fingerstyle guitarists and harp-guitarists, Muriel Anderson's obvious joy of music, humor and her facility across the genres of folk, classical, bluegrass, popular and international music is revered by guitarists worldwide.

Performing in front of artful backdrops, Anderson takes her spectators on a musical journey, from her Finnish roots to countries around the globe and even a trip on a space shuttle. Her unique approach to the instrument virtually transforms the guitar into a lyrical choir, then a marching band, a Japanese koto, a Finnish folk song, then a bluegrass band.

Muriel Anderson is the first woman to have won the National Fingerstyle Guitar Championship. She has performed or recorded with Chet Atkins, Les Paul, Victor Wooten and the Nashville Chamber Orchestra.
