

COP30 pre-event

Bridging knowledges for science with impact in the Amazon – Nordic-Brazilian dialogue towards and beyond COP-30

Manaus, 22-24 October 2025

PROGRAMME

DAY 1: Wednesday 22 October

Place: Assembleia Legislativa do Estado do Amazonas, Av. Mário Ypiranga, 3.950 - Flores, Manaus - AM, 69050-030

Time	Topic
8:00	Transport from Hotel Ibis Styles, Centro, to ALEAM
9:00-11:00	<p>Opening session: Towards more impactful, responsible and inclusive research and innovation cooperation in the Amazon</p> <ul style="list-style-type: none">• Welcoming words<ul style="list-style-type: none">- Serafim Corrêa, State Secretary of the Economic Development, Science, Technology and Innovation, SEDECTI- Márcia Perales Mendes Silva, Director-President, Amazonas State Research Foundation, FAPEAM- Márcio de Araújo Pereira, President, Brazilian National Council to State Funding Agencies, CONFAP- Johanna Kivimäki, Counsellor of Higher Education and Science, Consulate of Finland in São Paulo- Ana Carolina Bussacos, Senior advisor, Office of Science and Innovation, Embassy of Sweden- Patrick Reurink, Counsellor for Science, Technology and Higher Education, Team Norway, Embassy of Norway- Rafael Andery, Executive Secretary, Amazonia+10 Initiative• Opening keynotes<ul style="list-style-type: none">- <i>The indigenous knowledge system facing the challenges of imbalance in the terrestrial world</i>, Dr. João Paulo Lima Barreto, Centro de Medicina Indígena Bahserikowi e Universidade Federal do Amazonas (UFAM)- <i>Gulahallat Eatnamiin: Indigenizing Academies and Sustainability Discussions</i>, Dr. Hanna Guttorm, University of Helsinki• Cultural presentation: <i>Bois de Parintins</i>• Introduction to the Interactive session 1<ul style="list-style-type: none">- Session aims, working method, and the guiding questions
11:00-11:30	Coffee break

11:30-12:30	<p>Interactive session 1: Research and innovation for conserving biodiversity, climate change mitigation and adaptation, and social transformations, wellbeing and economic development in the Amazon</p> <p><i>Addressing climate and biodiversity crisis, both globally and locally, require transdisciplinary approaches that bring together multiple disciplines and non-academic stakeholders to enable new understanding and solutions that integrate diverse perspectives and knowledge with positive impact in the society.</i></p> <p>Parallel working groups (2 h 30 min) <i>These parallel, multidisciplinary working groups present and discuss research and innovation cases in different research areas. The aim is to get to know each other's research and to network, as well as to co-create ideas and strategies for transdisciplinary approaches. All working groups are instructed to answer specific sets of questions that are then brought to the following plenary session.</i></p>	
12:30-14:00	Lunch break	
14:00-15:30	Interactive session 1 continues	
	Continuation of the working groups	Discussion between research funding agencies: <i>Presenting and discussing the relevant programmes and instruments</i>
15:30-16:30	Plenary panel: Bringing together the discussions from the parallel groups	
16:30-17:00	Conclusion of the day 1 & practical information	
17:00	Transport from ALEAM to Hotel Ibis Styles, Centro	
18:50	Transport from Hotel Ibis Styles to Dinner	
19:00	Dinner (for invited only): <i>Biatüwi</i> - Casa de Comida Indígena Manaus	

DAY 2: Thursday 23 October

Place: Assembleia Legislativa do Estado do Amazonas, Av. Mário Ypiranga, 3.950 - Flores, Manaus - AM, 69050-030

Time	Topic
8:20	Transport from Hotel Ibis Styles, Centro, to ALEAM
9:00-11:30	<p>Interactive session 2: Strategies and good practices to enhance the impact of research results on policies and practice</p> <ul style="list-style-type: none"> • Introduction of the session aims and the working method, as well as the questions to be answered by each working group (10 min) <i>How to bring research results to policymaking and practice? Discussing and developing good practices and strategies.</i> • Work in small groups (90 min): <i>Separate working groups where research and innovation cases with good practices for bringing research results to policy or practice are presented and discussed. All working groups are instructed to answer specific sets of questions, which will then be presented at the following plenary session.</i> • Plenary panel: Bringing together the discussions from the parallel groups, discussing the suggested sets of good practices or strategies (50 min)
11:30-12:00	Coffee break

12:00-13:30	<p>Good practices for research funding in support of impactful, responsible and inclusive research</p> <ul style="list-style-type: none"> Panel between research funding agencies on good practices for impactful research funding <ul style="list-style-type: none"> Maiju Gyran, General Secretary, Research Council of Finland Márcia Perales Mendes Silva, Director-President, Amazonas State Research Foundation, FAPEAM Dalila Andrade Oliveira, Director of Institutional, International and Innovation Cooperation, National Council for Scientific and Technological Development, CNPq Rafael Andery, Secretário-Executivo, Iniciativa Amazonia+10 Dhallys Mota Nunes, Policy Officer for Science, Technology and Innovation, EU Delegation to Brazil Open discussion <p><i>The panel will discuss good practices for research funding in support of more impactful research, through responsible, respectful and inclusive research collaboration between diverse research areas and actors. The focus is on promoting the co-creation of transdisciplinary knowledge, respectful research partnerships, and the appreciation of scientific knowledge beyond academia.</i></p>
13:30-15:00	Lunch break
15:00-16:30	<p>Drafting recommendations for policies and research funding</p> <p><i>Drafting joint Nordic-Brazilian scientific communities' policy recommendations and comments</i></p>
16:30-17:00	Conclusion of the main event & next steps
17:00	Transport from ALEAM to Hotel Ibis Styles, Centro

DAY 3: Friday 24 October

Place: National Institute of Amazonian Research (INPA), Av. André Araújo, 2936, Aleixo, CEP 69060-001, Manaus

Time	Topic
8:00	Transport from Hotel Ibis Styles, Centro, to INPA
8:30-11:00	<p>Technical visit to National Institute of Amazonian Research (INPA)</p> <ul style="list-style-type: none"> Welcome by the Director Henrique dos Santos Pereira Visit and walk in the <i>Forest of Science</i> and the <i>House of Science Museum</i>
11:00-11:45	Coffee break
11:45-14:00	Working meetings between researchers
14:00	Transport from INPA to Hotel Ibis Styles, Centro
